

# LOVE CONFESSION

I am Love

Love is my nature

This is the nature of my Father God

Who indwells me, inhabits me, enriches me

And fill me up with Himself

He is shed abroad in my heart by the Holy Spirit

Not by my feelings, emotions or anything else

I am long suffering

I am patient and kind

I am not envious or boiled over with jealousy

I am not boastful or vainglorious

I do not display myself haughtily

I am not arrogant or inflated with pride

I am not touchy, fretful or resentful

I take no account of evil done to me and

I pay no attention to a suffer wrong

I do not rejoice at injustice and unrighteousness

But I rejoice as righteousness and truth prevails

I face up boldly and courageously

To anything and everything that comes my way

I am ever ready to believe the best about every person

My hopes are fadeless under all circumstances and

I endure everything that without weekending

I never fail I am a love child of a love God

Born of love into the love family  
Love mercy and compassion flow out of me to others  
I am a joint intercession with the Lord Jesus  
And I give myself wholly to intercession (prayer)  
I am very conscious of the leading and the promptings of the Holy  
Spirit and I respond positively to them  
The gifts of the spirit are very much in manifestation in my life  
The gift manifest themselves in me in love  
I am the righteousness of God in Christ Jesus  
And Christ is my righteousness  
Therefore am as bold as the lion of the tribe of Judah  
I am a winner by nature  
And I win all the time  
I do not know how to lose because  
Greater is he in me than he that is in the world  
I am above only, never beneath  
I am born of God  
And I overcome the world with all its system  
The word of God is the final authority in my life  
I live by it and I talk it all the time  
The life and nature of God is put to work on my behalf  
I prosper in all I do  
  
Because I diligently day and night meditate in the word  
I have supernatural good success  
My body is the temple of the Holy Spirit  
It has been bought with a price the blood of Jesus

Who bore away my sickness and diseases and by whose stripes I am healed

I therefore present my body as a living sacrifice to God for his glory

And I forbid any of the ravages of sin or Satan in Jesus name to

Play on my body

The agent of disease and death cannot come against my body

Because the greater one in me is constantly generating life into my body
