THE
PRINCE
AND THE
PRISONER

[f](#) DaystarNIG [v](#) Daystar-NG [@](#) Daystarnig

Two young men got into an argument that escalated into a quarrel. They hit themselves hard to the extent that one dealt a fatal blow on the other. The murderer was arrested, tried and sentenced to death. He was thrown deep down in an underground cell. He was awaiting the day of his execution by hanging.

It so happened that all those in the dungeon were awaiting their death by hanging. Once in a while, the executioner came to call the name of the one whose turn it was to be executed. One day, the warder came to call the young man who had murdered his friend. Just before he could respond, someone else in the cell answered to his name. Everywhere went quiet. As it works, once the prisoner is brought to the door of the prison, his face is covered with a mask so that it is not seen by the executioner.

The hanging took place, the man whose face was covered died. The king was so angry about the murderer's crime that he asked that his face be uncovered for everyone to see. As the mask was taken off, everyone gasped. It was the Prince. The King's son. He had been sent to the dungeon for being rebellious. The king was hurt. His son had answered on the behalf of his prison friend, the murderer.

So the king decided that the price had been paid for the one who committed the murder and gave the Prince's pardon to the young man who was supposed to die. He was brought into the palace to take the place of the dead Prince and all the rights and privileges of the Prince were given to him.

Amazingly, this is exactly what Christ did on our behalf. No matter what we are told or what the result of researches into

man's problem is, the root cause of man's problem is SIN. It is the cause of sickness, poverty, family dysfunction, and destruction of nations, bad leadership, economic crisis, abuse, sexual violence and everything that destroys people's destinies.

When God wants to touch our lives, he deals with the root cause. Sin is not just an act, it is a nature. His son paid on the cross for our sins and this is how we know Love. A passage says: "Greater love has no man than this, that a man should lay down his life for his friend". If you have suffered deprivation, it is difficult to believe it is by giving all you have that you show love even when you don't have anything yourself.

God so loved the world that he gave. The proof of love is giving. You can give without loving but you cannot love without giving. God loves you in spite of your circumstances or what you may have done, be it murder, abortion, rape etc. He loves you and died for you on the cross. He took your place. It is called substitution. He forgave all your sins, He is merciful.

The Prince of Peace took your place as a prisoner so that you will take his place as one righteous before God. There is no better news than that.

No better time to ask Jesus into your heart than NOW.

Say this prayer, *'Dear Jesus, I confess you as my Lord and Saviour. I ask that you forgive me my sins and reign in my life. Thank you for saving me! Amen.'*
